

ShabbaTTogether

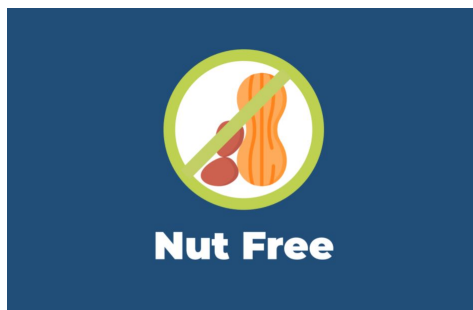

Food Sensitivities and Printable Labels

ShabbaTTogether is a great opportunity to highlight food allergies as part of an inclusive environment! Common food sensitivities include: dairy, gluten, eggs, tree nuts, and soy.

- Offer options such as gluten-free pizzas, salads and desserts. Serve fruit and veggies. Many kosher gluten free recipes can be found online.
- Post a sign or print table tents with allergy friendly labels so people who have food sensitivities can know which foods are safe and which to avoid. For example:
 - Nut Free
 - Egg Free
 - Gluten Free
 - Dairy Free
 - Contains Tree Nuts
